MEMORANDUM FOR: Chief, TSD/SS/Logistics

SUBJECT : Movement of Motor Blower System

1. A dual power motor blower system for a Model I Air-Fed Incinerator was developed for TSD/ES by [redacted] At the completion of the development program one unit was transferred to the [redacted] Special Projects. This system was developed under Contract No. ED-26, Task KK, Work Order 9. The purchase order number for this unit was TC-82036-61 and the receiving voucher number was 62-57003.

2. It is requested that this dual power motor-blower system be sent to [redacted] to the attention of [redacted] This power system weighs approximately 205 pounds and is about 9.6 cubic feet. After arrival [redacted] the unit will be used as a test vehicle in conjunction with the 50 cycle, 3 phase, generators being purchased from this company.

3. It is highly desirable to have this unit to [redacted] by the 28th of November. If this date is not feasible the earliest date possible is requested. [redacted] TSD/ES, [redacted] Logistics, Inspection Branch, [redacted] should both be informed when the transfer of this equipment is to take place.

4. If any further information is desired, please contact [redacted]
